[illegible]

Dear Mr. Kuforiji:

The owner of the properties captioned above has requested exemption from county government and school district taxes. A copy of their request is enclosed.

Please be advised that any opinion regarding this exemption request that you care to express could influence the Board of Assessment's recommendation. Most importantly, if you know of a reason why these properties do not qualify for exemption under the state statute, the Assessment Review Board respectfully requests that you inform the Board of such reason, in writing, by the date below. An example of non-qualification would be property owned by a religious organization but held for investment purposes. Another example would be property owned by a school, but used for other than educational purposes.

The Board will vote to grant or deny the exemption request at their next meeting. Lack of response by March 17, 2023 will be understood by the Board as an indication of your agreement to the exemption request.

Thank you for your attention to this matter. Please contact me with any questions you may have.

Very truly yours,

Cheryl A Bundek, AAS

Assessment Supervisor
