

NGES Summer Reading

Don't let your reading slide backwards this summer! Find books to read from anywhere - your home, a friend, public library, etc. You can read online eBooks from NGES's Destiny Discover or get a subscription from EPIC Books. Challenge yourself to 20 minutes of reading a day or 5 novel-length books over the summer.

When you finish reading a book, record the title on your Barnes and Noble Reading Log & Jefferson Madison Regional Library (JMRL) Beanstack app/site or challenge sheet.
1 book = counts for both reading programs if you would like a prize!

If you are off campus, you will need to login to your Google account to be able to access the Reference slides in Destiny Discover which includes World Book online eBooks.
(Google username: firstname.lastname@greenecountyschools.com
password: lunchnumberabc).

Happy Reading!

Destiny Online Catalog/Destiny Discover

Go to our school webpage, click on the green menu button, hover over the word Students, and then click on Destiny Library Catalog.

Login: firstname.lastname (all lowercase, no space, & dot in-between first and last name)

password: lunch number only

example:
