

Dear Parent/Guardian,

Each year we conduct surveys to help guide the school plans and to improve the way we meet the needs of our families. There are two different surveys for our parents/guardians. The first survey is for all families in Baldwin County Public Schools. This survey helps inform decisions and support our plans related to accreditation. Please use the following link to complete this survey:

Family Cognia Accreditation Survey:

<https://eprovesurveys.advanc-ed.org/surveys/#/action/305606/p1991>

The second survey is for Title I schools only. _____ School is a Title I school, and as the parent/guardian of a child attending a Title I school, you are an important part of the Title I team. Your input is vital in the planning and implementation of the parent involvement program and activities in our school. The focus of all Title I programs is to help eligible students meet the same high academic achievement standards expected of all children, regardless of their socioeconomic status and background. The following link will direct you to the **confidential** online parent survey. The information gathered from the survey results will be used to assist us with future planning for parental involvement activities and events. Please complete the online survey by **May 15, 2026**. We appreciate your feedback and thank you for taking the time to complete this survey.

Sincerely,

Principal
