

Who Can Attend?

Any interested person or parent of a student with a disability may attend any of the regularly scheduled Local Task Force meetings. You do not need to be a member to attend, and no advance notice is necessary. **You are always welcome.**

What We Do:

- ✓ To act as advocates and advisory bodies to those who have the responsibility for providing programs and services to school-age children with disabilities in keeping with the Right to Education.
- ✓ Assist parents of students with disabilities in understanding the laws that affect their rights and help develop an appropriate educational program for students with disabilities.
- ✓ Encourage cooperation with public and private agencies which provide services to students with disabilities.

The Local Task Force (LTF) was established in Pennsylvania to ensure all students receive Free Appropriate Public Education (FAPE)
