Board policy (6.1.2, D.) states that **non-resident students** shall be admitted to the Boaz City School System on a first come, first served, space available, and tuition paid basis. Boaz City Schools will not provide transportation to students outside the Boaz City limits. Please secure the following required documents and return them to the Boaz City Board of Education for consideration of enrollment:

- _____ Copy of Birth Certificate
- _____ Proof of Residence (example Electric, Gas, or Water Bill)
- _____ Copy of Immunization (Blue Card)
- _____ Copy of Discipline Report (SIR) for the previous three (3) school years
- _____ Copy of Attendance Report for the previous school year
- _____ Copy of Grades

Upon the **return of all required documents** to the Boaz City Board of Education, the Superintendent's designee will communicate by letter the acceptance or denial of enrollment status based on Board policy (6.1.2, 2) criteria. This application does not qualify as or guarantee enrollment in Boaz City School System. Please **do not withdraw student from current school** until notification from Boaz City School System. If the Superintendent's designee grants enrollment status, full tuition must be paid in full before registration can take place (**\$500.00 per child, max \$1000.00**).
