Tennis Futures! Tennis & Swim Camp – Ages 5 – 10 years (Summer)

The goal of the program is to instill excitement and a desire to make tennis a lifetime activity. Focus is on hand eye and group participation skills along with basic introduction to the fundamental grips and swings. Emphasis also on hand eye coordination, movement, racquet control, along with basic technique of groundstrokes. Activities conducted with several teaching aids including tees, tennis mates, and the footwork court. More advanced players join the Intermediate class for instruction and then rejoin camp for swimming. Swimming is free time, not instructional, with certified lifeguards on duty.

Drills and rallying are introduced to simulate match play situations along with strategic patterns of play. Activities conducted with several teaching aids including tees, tennis mates, and a footwork court. Mental toughness skills introduced as they pertain to match play. The first four weeks of the program will be drills and rallying with red balls progressing to orange balls based on strokes, skills and rallying abilities.
