

Learn about Our Child Life Program

Ease Stress and Anxiety
in the Hospital Environment

This webinar will introduce the field of child life and explore how it has evolved to support children and families in health care settings. Attendees will learn how child life specialists use play, education and emotional support to reduce stress, anxiety and trauma during hospital experiences.

Presented by:

Shannon Jenkins, MS, CCLS, CAHP, and
Stacey Schneider, MA, ATR, CCLS, LCAT,

Child Life Program at Atlantic Health Goryeb Children's Hospital

Thursday, May 7, 2026

6:00 – 7:00pm
