Pennsylvania Pre-K Counts

Pennsylvania Pre-K Counts is bringing quality half-day and full day pre-kindergarten to 3 and 4 year olds in Pennsylvania.

Why does my child need to attend a high quality pre-kindergarten program?

- Quality pre-kindergarten prepares children for reading and math, but also for paying attention, following directions and getting along with others.
- Enrolling your child in quality pre-kindergarten means your child has a better chance of being ready for kindergarten. With a strong early start in pre-kindergarten, they have a better chance of doing well in school, going to college or career training, and getting a good job. All of this can start by enrolling your child in PA Pre-K Counts!

What can I expect from a PA Pre-K Counts classroom?

Pennsylvania Pre-K Counts classrooms will:

- have teachers with the education and expertise to teach young children.
- use a curriculum that will help your child grow, academically and socially.
- regularly review your child's progress and choose teaching and learning activities that are best for your child.
- help you and your child adjust to pre-kindergarten and smoothly move on to kindergarten.

Who is eligible for PA Pre-K Counts?

PA Pre-K Counts is designed for children who: are between age 3 and until the entry age for kindergarten; and live in families earning up to 300% of the federal poverty level (\$99,000 for a family of 4). Each program offering PA Pre-K Counts classrooms has their own guidelines. If your child falls into these categories, you may be eligible to apply.

How much does PA Pre-K Counts cost?

PA Pre-K Counts is free to families. The portion of the day that is funded through PA Pre-K Counts is free to families; the program may charge for additional portions of the day (wraparound child care, etc.)
