As we approach the final weeks of the school year, I find myself reflecting with a full heart on what an incredible journey this has been. Serving as your principal during my first year at Don Riggio School has been nothing short of an honor.

From the very first day, it was clear that Don Riggio is a special place, one where relationships matter, where students are known and supported, and where staff go above and beyond every single day. I have been continually inspired by the dedication of our teachers and staff, the support of our families, and the enthusiasm and resilience of our students.

This year has been filled with meaningful moments: classroom learning, performances, field trips, celebrations, and everyday interactions that remind us why we do this work. Whether it was seeing our students shine in the arts, grow academically, or simply show kindness to one another, each moment has contributed to a year we can all be proud of.

To our families, thank you for your partnership, trust, and support. To our staff, thank you for your unwavering commitment to our students and to one another. And to our students, thank you for bringing joy, curiosity, and energy to our campus each and every day.

As we head into the final stretch, let's continue to finish strong and celebrate all that we have accomplished together. I am deeply grateful to be part of this community and excited for all that lies ahead.

Wishing you all a joyful and restful summer just around the corner!

With appreciation,

Mr. Livengood
