  - Groundbreaking for sub varsity soon
  - Elementary playgrounds are finished, more good things to come
  - The link is on the website that has the state of the district updates and has images of what new construction will look like https://roisdbond.com/
  - The CTE building will have a store front entrance off Lowrance and ROHS side will be the student entrance.
- New elementary redistricting at the beginning of next year. Red Oak is growing.
- Elections are coming up
- Calendar for next year approved. 11 additional instructional days on the calendar next year.
- STAAR testing is underway.

District of Innovation

a. Renewal (General renewal; every 5 years)
   i. Review and discussion- format of the new one is easier to read, but there is a lot less detail. Can it be hyperlinked to the TEC code? Roman numerals are not indented. Add more details from the old document for further clarification.
   ii. Vote for approval (Approve- 19, unanimous vote)

Comprehensive Needs Assessment (part 2)

b. Data Analysis (Demographics, student achievement, parent family engagement, staff quality)
c. Identify Strength and Weaknesses
    - Lists of strengths and weaknesses written and turned in to L Bass
d. Develop Problem Statements (if time permits)

Determine if the additional meeting is needed

e. Virtual - May 12 (added) will be to complete the Comprehensive Needs Assessment - Bass will send an invite

Q&A
