# LEARN & GROW WITH THE Y

**Join us for enriching Y-Kids Before & After School Programs in Your School District!**

- » Safe, enriching activities are offered before & after school within your child's own school district.
- » Children gain confidence while engaging in social, emotional & literacy fun, developing skills & imagination.
- » Programs encourage creativity through STEAM & daily activities, & teach the YMCA core values of caring, honesty, respect, responsibility & inclusion.
