

CISD Special Board Workshop Meeting
President's Report
May 4, 2026

Good evening,

I'd like to take a moment to recognize and thank the many individuals who made the North Texas U.S. Service Academies Forum, held here in Carroll ISD on Saturday, April 25, such a tremendous success.

This was an outstanding event that welcomed middle and high school students, families, and community members, across North Texas, to learn more about the opportunities available through our nation's service academies. We were honored to host representatives from 13 North Texas congressional offices, including both United States Senators, and to have our own Congresswoman Beth Van Duyne with us in person. Even more impressive, every branch of the United States military was represented, providing vital insight and access for our students.

Events like this don't happen without a great deal of work behind the scenes, and I want to personally thank members of our Carroll ISD team who gave up their Saturday to serve our students and community.

From our administration, thank you to our Superintendent Dr. Glenn, Principal Shatina Lewis and our board secretary Barbara Yelton for your leadership and support.

From our communications team, thank you to Jeff Brady, Amy Houlihan, and Jaclyn Harwell for ensuring this event was well-coordinated and well-communicated.

From facilities, thank you to Lanny Mooney and Rafael Leyva for making sure everything was set up and ready to go.

From technology, thank you to Randy Stuart, Donny Parker, and Nick Rosello for keeping everything running smoothly throughout the event.

I also want to recognize our outstanding students. Thank you to our Green Jackets and members of the Student Leadership Council who volunteered their time to welcome guests and help guide attendees throughout the event. You represented Carroll ISD with professionalism and pride.

And a special thank you to our Dragon Blooms students, who created the beautiful floral displays for the event. Your work added a welcoming touch that did not go unnoticed.

Lastly, I would also like to thank the law firm of Perdue, Brandon LLP, that sponsored the hospitality suite through our district's We Care program. Your generosity helped us provide a welcoming experience for our guests.

For those in our community who are interested, contributions can be made directly to the We Care program to support events like this and continue enhancing opportunities for our students and families.

This forum was a great example of what makes our district special, strong partnerships, dedicated staff, and students who step up to lead and serve.

On behalf of your Board of Trustees, thank you to everyone who played a role in making this event such a success.

Thank you and Go Dragons!

Cam Bryan
President,
Carroll ISD Board of Trustees
