Dear Parents and Guardians,

We are pleased that your student will be attending Holy Family High School.

If your child has medication located in the school health office, it will *not* be accessible outside of school hours (7:30a-3:15p). Medication cannot be sent with sports coaches to practices or games. If your student is approved to self-carry medication, please ensure they have what they need for all athletic activities. Coaches will be trained on any health conditions that your child may have to offer support in an emergent event.

Holy Family school nurses are not on campus during the summer. Medication will not be kept at school and coach training is limited. We encourage families to make appropriate arrangements to support their student's health needs during this time. If you have any questions or concerns please contact the school nurse at 303-410-1411 or by email at hfnurse@holyfamilyhs.com

Thank you,
Alicia DeHerrera and Alex Di Petrillo RN, BSN (Holy Family School Nurses)
