

Is your student struggling with school or health challenges?

Humboldt Neurohealth is partnering with your school to promote health and wellness through Enhanced Care Management (ECM) Services that support students in achieving a happier and healthier future!

WHAT IS ECM?

Enhanced Care Management (ECM) is a Medi-Cal benefit that integrates health promotion, social connection, and educational assistance to help students thrive.

We work collaboratively with you and your student's school to provide tailored care within the school environment and the broader community.

THIS INCLUDES:

-  A collaborative partnership with staff, guardians, and students for optimal success
-  Personalized planning tailored to your student's unique needs
-  Comprehensive support for their mental, physical, and social-emotional well-being
-  Stronger connections to community resources, health services, and social supports
-  Continuous updates and adjustments for ongoing progress

OUR CORE SERVICES

-  Individualized Care Planning
-  Seamless Integration of School and Healthcare
-  Connection to Community Resources
-  Promotion of Healthy Lifestyle Choices and Self-Management Skills
-  Collaborative Family Support

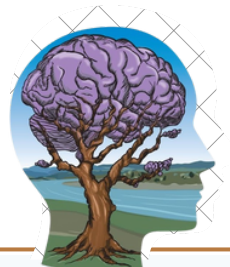

BENEFITS OF ECM

-  IMPROVED ACADEMIC PERFORMANCE
-  IMPROVED SOCIAL, EMOTIONAL, AND BEHAVIORAL SKILLS ENHANCED
-  HEALTH AND WELL-BEING
-  INCREASED ATTENDANCE AND ENGAGEMENT
-  REDUCED STRESS AND ANXIETY
-  IMPROVED ACCESS TO HOUSING, FOOD, & TRANSPORTATION

ECM Services are Available to Medi-Cal Enrolled Students at No-cost!

Undocumented individuals are also eligible for Medi-Cal, regardless of immigration status.

ABOUT US

At Humboldt NeuroHealth, we are driven by our passion to support the healing and strengthening the minds of individuals and families in our community. Seeking help can be scary, but it doesn't have to be. We are here for YOU. Whether that's simply by being a safe person who will truly listen to you, or a guide to help you get the support you need, our goal is to help you reclaim your joy. We believe that our brains are naturally wired for healing, and as the expert of your own life, we want to help you on your path towards wholeness.
