May 1, 2026

Dear West Essex School Community,

As we move forward with the bond referendum, we remain committed to keeping our community informed.

During the next Board of Education meeting on Monday, May 11, the district administration will present an overview of the timeline and proposed projects. The meeting will take place in the **West Essex High School (WEHS) Auditorium at 7:30 p.m.** All community members are invited to attend and learn more about the referendum planned for November 3. Please feel free to invite others who may be interested.

At its February 19 meeting, the Board approved submission of project documents to the New Jersey Department of Education. The Department's review will determine eligibility for state aid and is expected in the coming months. Once this information is available, the district's financial advisor will calculate and share the estimated tax impact.

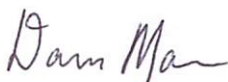

Proposed projects include:

- Instructional space renovations and a two-story addition at WEHS
- HVAC and infrastructure improvements
- Outdoor facilities upgrades
- Door, window, and hardware replacements
- Security enhancements

Additional information is available at <https://www.westex.org/about/referendum>. The site will be updated as more details become available. Questions may be sent to vote@westex.org. Our goal is to ensure that every resident of the community is prepared to make an informed decision on November 3.

We hope you can join us on May 11. The meeting will also be available on the [West Essex YouTube Channel](#) for those unable to attend in person.

Sincerely,

Damion Macioci, Superintendent of Schools

Mary Wojtowicz, Board of Education President
