

Welcome to PaySchools!

Manage Your Student's Account with Ease!

Our district has selected PaySchools, an i3 Education product. The use of PaySchools Central is free for households to pay for student meals using a debit or credit card. Meal funds can still be paid for by bringing cash or check to the main office.

With PaySchools Central, you can securely and quickly pay for your student's meals, apply for free and reduced meals, set up reminders and alerts, review their purchases, access detailed reports, and manage payments anytime, anywhere, on any device.
