Students from Eagles Elementary School and Kennedy Elementary School have been encouraged to trade in the internal combustion engine in favor of leg power for Walk, Bike, & Roll to School Day in May. This Wednesday, elementary schoolers will walk, bike, or employ scooters, skateboards, roller blades, or any other human-powered transportation to get to school.

Eagles students who participate in Walk, Bike, & Roll to School Day will receive a water bottle and a sticker.

Kennedy students who participate in Walk, Bike, & Roll to School Day will be entered into a drawing to receive special door prizes provided by the Kennedy Parent Teacher Association.

Officers from the Fargo Police Department will be present at both Eagles and Kennedy to greet students, give safety advice, and give prizes to students seen wearing helmets as they ride to school.

National Walk, Bike, & Roll to School Day is sponsored by the National Center for Safe Routes to School. Through the events held nationwide, it hopes to encourage students to get active and form important habits for a healthy lifestyle.
