Career Pathway Endorsement Career Ready

JTHS students may earn a "Career Pathway Endorsement" in their career area of interest, to be noted on their JTHS High School Transcript as to signify their exemplar performance and career readiness. Students who complete all requirements may apply through their school counselor for this extra designation on their diploma and excellent [resume builder](#).

Incoming Freshmen

Explore Career Pathways through an Introduction Course

2x yearlong Pathway Courses in a single sequence

Joliet Township High School is proud to promote career pathways to better guide students to a high-skill, high-wage, high-demand career choice. Freshmen (and upperclassmen) who are interested in exploring a wide array of careers and skills before choosing a career pathway should enroll in one of JTHS Pathway Introduction Courses:

Orientation to Business, Health Science, Orientation to Human & Public Services, or Orientation to Technology
