CC: Dr. Debbie Jones, Superintendent
From: Leslee Wright, Director of Communications
RE: Extra Mile Service Award
Date: April 15, 2025

Logan Misenheimer is a club classroom teacher at Sugar Creek Elementary. While she's only been with Bentonville Schools for three and a half years, her impact is widely known.

Logan was nominated for the Extra Mile Award by one of her former parents, Brandon Baer. Brandon said his son, Danny, was in Logan's class last year but she continues still to make days better for him.

He wrote, "Logan continues to go out of her way to check on Danny."

Danny is autistic his dad shared. Brandon said Logan shares such a connection with his son that she's able to salvage a tough day and has changed his feelings about school.

But it's Danny's enduring spirit that make him such a gift Logan says.

"Danny has taught me the true meaning of resilience. His smile and wave each morning never fail to brighten my day and shift my mindset to a more positive one," Logan told us. "Whether it's a hug, high five or a funny joke, Danny makes my time at school better."

To conclude his nomination, Bradon wrote, "Logan is truly an exemplary teacher, and her caring and kind nature is a blessing to everyone around her."

Join us in appreciating Logan Misenheimer for going the Extra Mile for her students.
