

Stacy Martin Award

Details of the Award:

Stacy Martin was a 1999 graduate of Karns City High School. She was one of the original members of the student athletic training program. She went on to pursue a career as a registered nurse. Her life was centered around loving and caring for others. In 2013 she was diagnosed with metastatic breast cancer. During her ten year fight with cancer she continued to lead a life of service and giving. Potential candidates for this award should possess a similar desire to lead a life of love and service. A strong consideration will be given to those pursuing a career in Health services. This award is not limited to those attending a college or university, but is open to any graduating student who has a desire to give back to the community and help those who are in need. Interested students should submit a written essay describing their acts of service as well as how they plan to continue serving and impacting others throughout their career. Please include two brief letters of recommendation as well.

Please return your completed essay, and two letters of recommendation by May 4, 2026 to the guidance office.

Thank you
