- Given the seriousness of the offenses, student is not eligible per State statute to return to Capital School District or attend a Consortium Delaware Alternative Program. The implications of the presented charges also pose a severe safety concern for district students and personnel should this student be afforded an opportunity to receive education services via Dover High School or homebound instruction. Student is expelled from school for 180 school days and may reregister for admission back to school on March 16, 2023.
- The Capital School District Office of Student Services and the Special Education Team will meet with student/parent/guardian to determine what on-line services are needed to meet IEP goals, so that student may continue to earn high school credits.
- Student was 19 years old on February 8, 2022 and may want to seek other educational opportunities via an adult education program.
- Should student wish to return to the Capital School District upon completion of the expulsion, student should show documentation that no any additional criminal charges have been accrued and student does not pose a threat to others.
