Dr. DePrima:

- Attended a ribbon cutting at South Dover Elementary School for the planting of the garden. This was made possible by a grant from the Delaware Department of Agriculture. It was nice to see the raised bed planting, will be used as part of the curriculum, students will be learning so much by planting and harvesting a garden.
- Attended CBOC meeting.

Mrs. Engel:

- Worked at the garden being established at Kent County Secondary Intensive Learning Center last Saturday, lots of volunteers participate, it was a great way to spend Saturday morning.
- Wanted to give a shout out to Amy Butillo, Advisor for the Junior class at Dover High School who is making a great effort for the Junior Prom, recruited the neighborhood, teachers, parents and students are involved in the planning. Enchanted Forest is the theme and juniors and seniors will be attending together which will make this event a special night for students.
- Please remember the homeless and those less fortunate.

Mr. Martin:

- Garden projects near and dear to his heart. Very easy to tie into the curriculum.
- Spring sports are out – attended CMS baseball and softball games. Great to see Central's Athletic Director, Mr. Poole.
- Through wonders of technology saw one of Dover High School lacrosse games.
- Congratulations to athletes taking place in spring sports.

Mr. Christiansen

- Apologized for missing board meetings; attended National Fire Academy for two weeks which was absolutely phenomenal.
- Congratulated Regan Torbert for her goals scored for Dover High School Girls' Lacrosse, she's doing well.
- We are in the fourth quarter of the school year, teachers, staff and administrators have done a great job.

Dr. Jackson-Short:

- We are almost there, thank you for your hard work.

1.05 Interim Superintendent Update

Dr. Henderson:

- Another shout-out for the ribbon cutting of the garden at South Dover Elementary School, amazing opportunity and it was great to see children involved in this activity. Expressed thanks for Mrs. McIntyre, Associate Principal, Mr. Buczynski, Principal and the State Department of Agriculture for working with teachers to launch the program.
- Excited to be able to announce tonight Capital's Teacher of the Year for 2022.
- The Department of Education put out a survey regarding the next school year. We are listening and your comments will be taken into consideration. We continue to work with the Governor as to what schools are going to look like and plan to have some type of directions before students leave on June 11. Will be sharing results of the survey in June.
- Capital's EdCamp was held today, over 560 staff participated with facilitators from every building. Participants submitted ideas which were organized into 15 different breakout sessions for each of the 3 provided times for a total of 45 sessions. An EdCamp is a different type of conference where topics are generated on the spot and driven and led by participants. Staff chosen topics included tech tips, social emotional learning, literacy across the content areas, culturally responsive teaching practices, digital intervention and accommodations, content specific sessions and more!
