In accordance with this policy, the Board shall, as either opportunity or need arises, and as it is entitled to do so by law, enter into a joint powers agreement with the local municipal governing body in acquiring or leasing, improving, equipping, operating or maintaining such jointly used facilities as school buildings, playgrounds, parks, playing fields, gymnasiums, and indoor recreation centers.</p> <p data-bbox="418 1507 1344 1854">The public library can and should play an important role in the intellectual and educational development of children attending district schools, serving them as a resource which reinforces and augments the school library in many areas, providing services and materials which may go beyond those which the school library can provide. To help achieve this end, this school district shall aid in the maintenance of the local library when funds are available in the Operating Budget of the school district and direct the staff to encourage pupils to utilize public library resources.</p> <p data-bbox="1187 1980 1317 2011">page 1/2</p> | <p data-bbox="1369 1024 1498 1087">Art III,<br/>§ 14</p> <p data-bbox="1369 1140 1450 1182">§ 521</p> <p data-bbox="1369 1308 1450 1371">§ 706<br/>§ 775</p> <p data-bbox="1369 1497 1450 1539">§ 502</p> |

Most effective utilization of the public library by students depends upon communication and cooperation between school and library staffs. School staff members should be kept informed of new materials and services available from the public library, and library staff members who are kept advised of school projects and programs which call for students' use of the library, will be better prepared to assist students in their efforts.
