 **The great Nelson Mandela once said, "Education is the most powerful weapon which you can use to change the world."** Remember that today is day three of Teacher and Staff Appreciation. We are so lucky to have the CMS faculty here to provide us with the tools we need to make a difference. The leadership class hopes that you will take the time to show appreciation for an adult who has made a positive impact on your time here at the middle school. You could make a card, write a note, or simply say thank you to show your appreciation for all that they have done.

 **The Cougar Catch is finally available to read!** Printed copies will be available in the library, as well as a digital version on the CMS Library webpage! If so, share your ideas on articles!
