### **Budget Executive Summary and Message to the Union County Community**

On Tuesday, May 5, 2026, the Union County Board of Education approved the proposed FY 2026–2027 operating and capital budget. This budget recommendation is designed to fully support more than 40,000 students and 5,000 employees, while continuing to advance the Board’s vision for academic excellence, operational effectiveness, and fiscal responsibility.

Developing a budget for a school system of this size requires careful evaluation of student needs, workforce demands, community growth, and long-term sustainability. As the highest-performing school district in North Carolina—and the largest employer in Union County—Union County Public Schools must continue to invest strategically in people, programs, and facilities to ensure success across the district.

We are extremely proud of our teachers, principals, students, administrators, and support staff. Their resilience, professionalism, and commitment to excellence continue to define UCPS as a high-performing and student-centered organization. The success of our district is a direct reflection of the dedication of Team UCPS and the ongoing support of our community and stakeholders.

#### **Budget Priorities**

As we look toward the 2026–2027 school year, the Superintendent’s Budget Recommendation is organized around priority areas aligned with the UCPS 2026-2031 Strategic Plan:

- **Academic Success, Innovation and Future Ready**
- **Safe and Supportive Culture**
- **Recruitment and Retention**
- **Family and Community Partnerships**

Approval of this budget will allow UCPS to continue moving forward in alignment with our goal of establishing Union County Public Schools as the premier school system in North Carolina.

One of the most significant ongoing challenges for public education remains the recruitment and retention of high-quality staff. Competitive compensation that keeps pace with the cost of living and market conditions is essential. The employees of Union County Public Schools are our greatest resource, and continued investment in them is critical to sustaining student success.

**400 North Church Street | Monroe, NC 28112**

**P: 704.296.9898 | F: 704.282.2171 | [www.ucpsnc.org](http://www.ucpsnc.org)**

*In compliance with federal law, UCPS administers all educational programs, employment activities and admissions without discrimination against any person on the basis of gender, race, color, religion, national origin, age or disability.*

## UNION COUNTY **BOARD OF EDUCATION**

REV. JIMMY H. BENTION, SR. - **CHAIRMAN**

BARRY TUCKER

The FY 2026–2027 budget recommendation continues support for local supplement enhancements for certified teachers and instructional staff, building upon recent progress in strengthening our compensation structure. Maintaining competitive pay remains vital as UCPS competes within both regional and statewide labor markets.

The budget recommendation also includes funding necessary to maintain current operations, including:

- Increases in property and liability insurance and public utilities
- State-mandated salary adjustments for certified and non-certified employees
- Required increases in state health and retirement employer contributions
- Continued support for local supplement schedules
- Required increases for charter school pass-through payments
- Continued progress toward the multi-year plan to place a School Nurse in every school

Capital funding remains a top priority as the district addresses aging facilities, infrastructure needs, and long-term asset preservation. The recommended capital budget and Capital Improvement Plan prioritize critical renovations and repairs, technology replacements, vehicle upgrades, and ongoing equipment cycles such as band uniforms and instructional resources.

The students, families, employees, and community of Union County Public Schools expect and deserve excellence. This budget request reflects a thoughtful and responsible approach to meeting the district's instructional, operational, and capital needs—both today and in the future.

As Superintendent and Board of Education, we respectfully submit the FY 2026–2027 Union County Public Schools Budget Recommendation for your consideration.

In Partnership,

Andrew G. Houlihan, Ed.D.  
Superintendent

In Partnership,

Rev. Jimmy H. Bention, Sr.  
Board Chairman

# 2026-2027

## Superintendent's Budget Proposal

April 14, 2026

# Agenda

- State Budget Outlook
- Local Budget Priorities
- Proposed Local Operating Budget Request
- Proposed Operating Capital Budget Request
- Summary
- Other Funding Considerations
- Supplemental graphs and statistical information

# State Budget Outlook

# State Budget Assumptions

- FY26-27 State Budget – still operating at FY25 funding levels
- Anticipated state salary increases
  - ❖ In the absence of an adopted state budget, we are projecting state salary increases at an average of 5% for all employees
- Health Insurance costs projected to increase 6%
  - ❖ Current year \$8,500 with increase FY27 projected to be \$9,000
- Retirement rate relatively flat for Full Time employees at 1.25%
  - ❖ Current year employer match is 24.67% with increase FY27 projected to be 25.00%
- Funding in arrears – this means that the state will fund us based on the previous year’s actual student enrollment, rather than projected enrollment

# State Budget – Planning Allotments

## Why Budget Adjustments Are Needed

- Student enrollment changes drive state funding levels.
- State adjusts allotments one year after enrollment changes occur.
- For 2026–2027, allocations must be updated to reflect state planning numbers.
- This required process is known as “Right Sizing” and ensures expenditures remain within projected state funding.

# State Budget – Planning Allotments

## Supplement Funding Considerations

- State funding projections exclude annual supplemental funds for certified staff until eligibility is confirmed.
- Eligibility is determined annually based on county wealth levels. Counties must have adjusted taxable real property below \$50.9 billion to qualify.
- Based on the most recent fiscal data, UCPS is not expected to qualify for this funding in 2026–2027 unless the General Assembly adjusts the current threshold.

# State Budget – Planning Allotments

## Supplement Funding – State criteria/provisions

- Eligibility as defined by State Allotment Policy ([link to details pg 119-121](#)).

### SPECIAL PROVISIONS:

- 1) Allocation of salary supplements among teachers, instructional support and qualifying school administrators within each eligible local school administrative unit, including whether a qualifying teacher, instructional support or school administrator receives a salary supplement and the amount of the supplement provided to that person, shall be determined in the discretion of the local board of education or governing body of the eligible public school unit.
- 2) No individual salary supplement shall exceed the per-teacher funding amount awarded to that unit. This maximum does not include benefits.
- 3) Certified personnel eligible to receive supplemental funds from these funds:
  - a. Teachers
  - b. Instructional support
  - c. Assistant principal who are paid based on the teacher pay per G.S.115C-285(a)(8)
  - d. Principal who are paid based on the teacher or assistant principal pay per G.S.115C-285(a)(8a)

- ***UCPS does not currently have staff eligible under 3c. or 3d.***

# State Budget – Planning Allotment Reductions

FY2027 – State budget reductions

	<u>Amounts</u>
ADM position allotment	-\$4,545,786
Teacher Assistant allotment	-\$469,340

FY27 Projected Funding from BOCC			165,859,414
		<b>Increase to Local funding</b>	<b>\$8,398,999</b>

# Other Funding Considerations

# Potential State Legislated Bonus - Local Impact

## Background

- State funding for permanent salary increases remains unresolved for FY 2027.
- The General Assembly may instead authorize one-time bonus payments for all state-paid employees as part of the 2027 Comprehensive Budget.
- The potential impact has been calculated and is reflected below

Potential Amount

**\$1,500**

Local Funding Needed

**\$2,666,265**

# Potential State Legislated Bonus - Local Impact

## Local Budget Risk

- If one-time bonus payments for state employees are approved, the UCPS local budget would be expected to mirror these payments for all non–state-paid employees.
- If sufficient local funding is not available, FY 2026–2027 local funding priorities **MUST** be adjusted to accommodate these payments.
- Any required adjustments will need to be decided before implementing any local salary increases.
