

Transfer Information

If you live outside the RBB School District and wish to transfer to RBB schools, you can request a transfer by completing the following JotForm.

<https://form.jotform.com/243175988586073>

Eligibility Criteria and Conditions

Attendance and Discipline

Students must meet the following criteria:

- Live in Indiana.
- Have no suspensions exceeding 10 days or expulsions within the previous 12 months, or if the suspension was less than 10 days but was for violation of Ind. Code 20-33-8-16 (firearm or deadly weapon on school property); for causing physical injury to a student, employee, or visitor; or for a violation of the school's drug or alcohol rules.
- Demonstrate a history of consistent attendance.
- Be in good standing at their current school.

Transportation

- Parents/guardians are responsible for providing transportation for approved transfers.
- Arriving at school on time is mandatory; violations may result in revocation of the transfer agreement.

Extracurricular Activities

- Transfer students must comply with all school and district rules.
- Eligibility guidelines for extracurricular activities will be provided by the school upon transfer approval. Parents/guardians are encouraged to thoroughly review these guidelines.

Revocation & Appeals

- Transfer agreements may be revoked for violations of terms, including issues with behavior and attendance,
- Serious incidents could result in immediate revocation without prior notice.
- Revocations will be provided in writing and may render the student ineligible for future transfers.
- Transfer decisions, including approvals, denials, and revocations, are final and cannot be appealed.

Application Process

Apply

Applications are currently open. Please complete the Transfer Form JotForm, and we'll reach out to you.

Continuous Admission

If capacity for a specific school or grade level is not reached, the district will continue to review applications on a first-come, first-served basis, determined by the submission timestamp.

Application Approval

Families will be notified of their application status as soon as possible.

Enroll

Once you receive approval of your application, you will receive directions on how to complete your full enrollment.

Additional information

Capacity

Out-of-district transfers will be accepted until capacity is reached at selected schools and grade levels, as determined by the district.

Waitlist

Applicants not selected due to capacity limits will be placed on a waitlist and notified as seats become available.

Year-to-Year

Out-of-district transfer students approved for enrollment must remain in good standing and submit a Transfer Renewal Form each year. It is our intention to renew transfer requests each year so that students can remain at the school. However, there are times when that may not be possible.

Kindergarten

To apply for out-of-district placement in kindergarten for the 2026-2027 school year, children must have turned five (5) years old on or before August 1, 2026. Transfer students are not eligible for early entrance into kindergarten.
