GOALS

1. Graduation Rate will increase annually.
2. The percentage of students participating and successfully completing advanced coursework will increase annually.
3. Develop a systematic and systemic process to measure individual student achievement growth of students, while also measuring their readiness at the next level.

CHRONIC ABSENTEEISM

Chronic Absenteeism is the percentage of students considered chronically absent. A chronically absent student is absent 10% or more of the time enrolled at the school.

SCHOOL HIGHLIGHTS

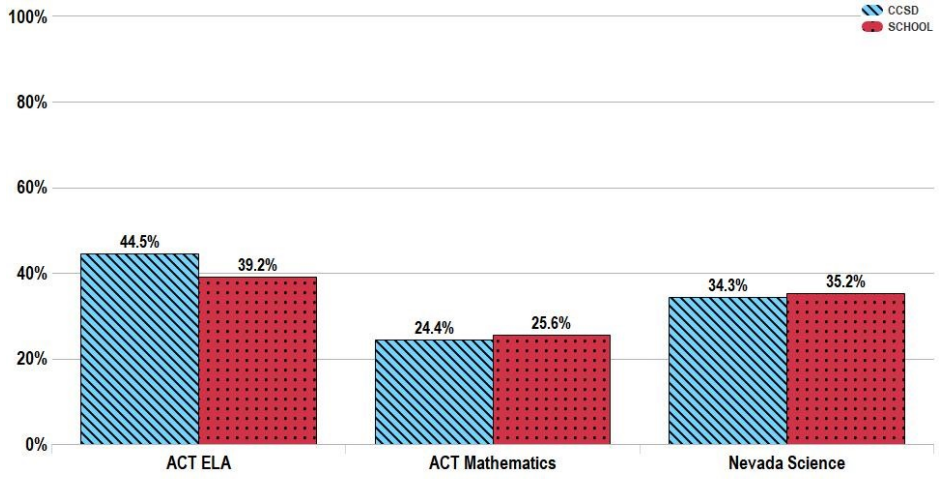

- In 2017, the number of AP students participating in AP Exams increased to an all-time high of 604. In the last five years, Rancho High School has increased the total number of students participating in AP courses by 95.5%.
- The emphasis on the importance of the AP program has earned Rancho High School a spot on the list of the top 20 "Most Challenging Schools" in Nevada according to The Washington Post for the past 3 years.
- RHS implements a multi-faceted approach to meet the needs of our ELL students that includes hosting bilingual Parent Information Nights (Noches de Los Padres) and housing a bilingual College and Career Center.
- The National Hispanic Institute recognized Rancho High School as the "High School of the Year," and US News & World Reports has ranked Rancho as one of the "Best High Schools" for two consecutive years.
- Rancho High School houses Communities in Schools coordinators on campus whose program serves as a student resource center for homework assistance, computer access, and other resources.
- The Magnet Schools of America awarded Rancho High School's Aviation Academy the "Merit School of Distinction" recognition.
- In the Pre-Medical Academy, community partnerships such as with the Clark County Medical Society and Comprehensive Cancer Centers of Nevada provide students and teachers with mini-internship and shadowing opportunities.
- Career and technical education (CTE) teachers use inquiry-based teaching strategies in classes such as culinary, graphic design, and TEACH programs and create problem-solving environments that foster academic dialogue.
