Welcome to AP Human Geography

You are currently enrolled in AP Human Geography for the 2026- 2027 school year. Welcome! You're going to love this class!

Summer Dates	
Week 1: May 26-June 12	During the first week of school, you will be given a place-name test on both the states and capitals of the United States . To prepare for this assessment, use Seterra Online http://online.seterra.net/en/ or Lizard Point http://lizardpoint.com/geography/ . Both offer you the ability to quiz yourself on the states and capitals, as well as the opportunity to explore your geographic literacy of the world. Have fun!
Week 4: June 15-18	Write me a letter. AP Human Geography students study <i>the why of the where</i> so my assignment for you is: Describe for me, <u>your</u> why of the where. (See Rubric) I want you to tell me about yourself using geographic thinking . Before you walk into my classroom this fall, I want to know why you think the way you do; often, it's because of where we come from, our heritage and our family history.
Week 5: June 22- July 3	Your first map test will be to know the location of and be able to identify the following countries on a map:
