

2025-2026 Title IA Schoolwide Goals

May 5, 2026 - Update and Future Goals
7:00pm

Multi-Tiered System of Supports (MTSS) is a system of identifying student needs and providing targeted support to students who need it most. The goals in Eastern's 2025-2026 Title I Annual School Plan are aligned to our implementation of MTSS.

Goal 1: Tier 1 Instruction - Supportive Strategies for All Students

- 2024-2025 - Teachers were provided professional development resources with strategies based on Mindprint assessment data.
- 2025-2026 - Title I funds were used to provide stipends for additional support positions to support grades 10-12.

Goal 2: Attendance:

- 2024-2025 - Chronic Absenteeism for 9th graders = 8.04% (Schoolwide=15.6%)
- 2025-2026 - Goal of 10% chronic absenteeism for 9th grade (class of 2029) and 10th grade (class of 2028).

As of Spring 2026

- Freshman chronically absent = 10.7% (49 students)
- Sophomores chronically absent = 11.8% (52 students)
- Chronic absenteeism schoolwide is ~10.4%

Goal 3: Academic Success:

- 2024-2025 - Reduced number of students failing 2+ academic courses (16 or 3.7%, from 21 the prior year)
- 2025-2026 - Maintain <4% of freshmen (class of 2029) and sophomores (class of 2028) with two or more failing grades in core academic courses

As of March 30, 2026

- Freshman failing 2 or more classes (semester 1) 5.5% (25 students)
- Sophomores failing 2 or more classes (semester 1) 4.5% (20 students)

2026-2027 Goals

- Implement diagnostic assessments to identify student needs in ELA and Math and provide adaptive instructional support based on diagnostic results
- Continue to improve and refine Eastern's MTSS program including monitoring attendance, behavior, and academic progress
