Off-Campus Activities

This policy shall also apply to student conduct that occurs off school property and would otherwise violate the Code of Student Conduct if any of the following circumstances exist:[13]

1. The conduct occurs during the time the student is traveling to and from school or traveling to and from school-sponsored activities, whether or not via school district furnished transportation.

5. The conduct involves the theft or vandalism of school property.
6. There is otherwise a nexus between the proximity or timing of the conduct in relation to the student's attendance at school or school-sponsored activities.

Delegation of Responsibility

The Superintendent or designee shall develop administrative regulations to identify and control substance abuse in the schools which:

1. Establish procedures to appropriately manage situations involving students suspected of using, possessing, being under the influence, or distributing controlled substances.[\[16\]](#)[\[17\]](#)[\[18\]](#)
2. Disseminate to students, parents/guardians and staff the Board policy and administrative regulations governing student use of controlled substances.
3. Provide education concerning the dangers of abusing controlled substances.
4. Establish procedures for education and readmission to school of students convicted of offenses involving controlled substances.

Guidelines

Violations of this policy may result in disciplinary action up to and including expulsion and referral for prosecution.[\[13\]](#)[\[19\]](#)

The Superintendent or designee shall immediately report required incidents and may report discretionary incidents involving possession, use or sale of controlled substances on school property, at any school-sponsored activity or on a conveyance providing transportation to or from a school or school-sponsored activity to the local police department that has jurisdiction over the school's property, in accordance with state law and regulations, the procedures set forth in the memorandum of understanding with local law enforcement and Board policies.[\[16\]](#)[\[17\]](#)[\[20\]](#)[\[21\]](#)[\[22\]](#)[\[26\]](#)

The Superintendent or designee shall inform the parent/guardian whether or not the

local police department that has jurisdiction over the school property has been or may be notified of the incident. The Superintendent or designee shall document attempts made to reach the parent/guardian.[\[20\]](#)[\[23\]](#)[\[26\]](#)

In accordance with state law, the Superintendent shall annually, by July 31, report all incidents of possession, use or sale of controlled substances to the Office for Safe Schools.[\[17\]](#)[\[26\]](#)

In all cases involving students and controlled substances, the need to protect the school community from undue harm and exposure to drugs shall be recognized.

Anabolic Steroids

The Board prohibits the use of anabolic steroids by students involved in school-related athletics, except for a valid medical purpose. Body building and muscle enhancement, increasing muscle bulk or strength, or the enhancement of athletic ability are not valid medical purposes. Human Growth Hormone (HGH) shall not be included as an anabolic steroid.[\[24\]](#)

Students shall be made aware of the dangers of steroid use; that anabolic steroids are classified as controlled substances; and that their use, unauthorized possession, purchase, or sale could subject students to suspension, expulsion and/or criminal prosecution.[\[19\]](#)[\[25\]](#)

Reasonable Suspicion/Testing

If based on the student's behavior, medical symptoms, vital signs or other observable factors, the building principal has reasonable suspicion that the student is under the influence of a controlled substance, the student may be required to submit to immediate drug or alcohol testing. The testing, subject to the discretion of the district may include, but is not limited to, the analysis of blood, urine, saliva, or the administration of a Breathalyzer test.

If a student refuses to give consent to the taking of the test, or if the test is otherwise obstructed, compromised or adulterated, a violation of this drug policy shall be presumed, and the student shall be subject to any and all of the appropriate disciplinary and nondisciplinary sanctions and procedures which accompany a positive test or other finding of drug or alcohol use.
