Dear Parent or Guardian,

In December 2015, the Every Student Succeeds Act (ESSA) was signed into law. Highlights of ESSA include holding all students to high academic standards and ensuring that the lowest performing schools are provided the appropriate support for school improvement.

The purpose of this letter is to notify you about important information regarding your child's school. The Nevada School Performance Framework (NSPF) is a critical part of the Education Performance System and utilizes a five-star classification approach.

School Specific Information
For the 2023-2024 school year, your child's school has been classified as a three star school.

To provide support and meet school and district goals, the school is using allocated Title I funding to:

- STAFFING
  - Teachers - Lower class size
  - Campus Monitors - Decrease behavior referrals
  - Prep Buy Outs - Increase graduation rate, lower class sizes
- PURCHASES
  - Paper, Toner
  - RTC - Bus passes
  - Web based programs
  - Professional services
- PARENTING
  - Refreshments for parent trainings

Specific information regarding the plan for continuous improvement can be located on the school's website in the School Performance Plan (SPP): A Roadmap to Success.

Sincerely,

Dr. Smith
Principal
