ALAMEDA UNIFIED SCHOOL DISTRICT
Excellence & Equity For All Students

Public Workshop Meeting
Alameda High School Athletic Field Project

The Alameda Unified School District (District) is continuing its planning process for an athletic field for the Alameda High School athletic program. The proposed site for the field is 1801 Sandcreek Way (the site of the former Lum Elementary school and current temporary campus).

The District held an initial public information meeting with neighbors and the community on March 3, 2026. Community feedback at that meeting focused on concerns about traffic, parking, lighting, privacy, noise, and the District's decision-making process.

Based on that feedback, the District will hold a second meeting to present additional information and gather additional feedback on issues of importance to the community, students, and district operations. This meeting will be in a workshop format.

Workshop Date:	**Tuesday, May 19, 2026**
Workshop Time:	**5:30 pm to 7:30 pm**
Workshop Location:	**Wood Middle School (Temporary Campus)** **1801 Sandcreek Way, Alameda, CA** **Multi-Purpose Room** *(Please go to blacktop of the school where staff will direct you to the meeting area)*
Contact:	**AUSD Construction Department** **P: (510) 337-7020** **E:** construction@alamedaunified.org
Additional Information:	https://www.alamedaunified.org/departments/construction/measure-b/alameda-high-school-athletic-field

The meeting will consist of two parts. During the initial presentation, staff and members of the design team will discuss the history of the District's athletic field planning process. During the workshop portion, participants will work in small groups and provide feedback on key design criteria and alternatives via an easy-to-use app. This app can be anonymously accessed from your smartphone or using a Chromebook provided at the meeting. Staff will be available to help you with the app if needed and answer questions as they come up. We are excited about this opportunity to partner with the community and encourage you to join us.
