

**IT IS TIME TO ORDER YOUR
2026-2027 SCHOOL SUPPLY KIT**

Dear Westminster Families,

The Westminster Parents' Association is pleased to be offering school supply kits for the 2026-27 school year. School supply kits are not a fundraiser, but a service that the WPA provides.

EPI will be building our kits again this year. They guarantee their products 100%. Should there be any problems, they will replace the item at no cost to you

All orders will be placed on line. You may use the QR code on the reverse side of this flyer or you may order through the link which will be available on the Parent Portal Resource Board.

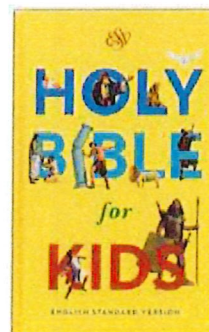

The deadline to place your order for next year will be Tuesday, June 16, 2026.

Purchasing a kit is not required but is recommended as it provides the same supplies for each student. Last year, 90% of our students purchased supply kits.

Should you choose to purchase supplies on your own, grade level lists will be available on the Parent Portal Resource Board under Frequently Referenced Documents - Lower School.

For all 2nd – 5th graders: A few years ago, Westminster transitioned from the NIV Bible translation to the ESV Bible translation. After careful consideration, we are pleased to share that we have identified an excellent ESV Bible option for our students. Please see the graphic to the right.

If your child currently has an NIV Adventure Bible, there is no need to replace it immediately. However, we do encourage families to transition to an ESV Bible when the time is right. The Bibles are not included in the kits.

All students in grades K-5 are asked to provide a set of headphones for their personal use in the classroom. These will not be included in the kits as to allow parents and students the ability to decide which style of headphones works best for them.

School supply kits will be delivered directly to your student's classroom prior to the first day of school

Please contact our school supply chairperson, Michele Chiswell, at mchiswell@wsa.net, with any questions.
