INSPIRING EXCELLENCE. EVERY LEARNER, EVERY DAY

Owatonna
ADULT EDUCATION

MAY 2026

WRAPPING UP THE 25-26 SCHOOL YEAR!

As the school year winds down, adult learners can take a moment to reflect on how far they've come. Balancing work, family, and education is no small feat, and each step forward is a testament to their resilience and commitment to growth. Now is the time to celebrate progress and look ahead with intention.

We're also deeply grateful to the instructors, staff, families, volunteers, and community partners who make this work possible. Your support creates spaces where learners can truly thrive!

As we plan for what's next, we're launching a community-wide survey and inviting local employers and their staff to share feedback on our programming. Your input will help shape future programming to better serve our community.

Please scan the QR code to make your voice heard!

Finally, here are our summer class options, built with flexibility in mind to fit busy lives and keep learning going all summer long!
