About us.

A citizenship and leadership program offered to high school students with **NO** military obligation to participate. Students learn how to develop self-discipline, teamwork and leadership skills through an interactive and hands-on approach.

The mission of Air Force Junior Reserve Officers Training Corps is to "Develop Citizens of Character". At Rancho High School, we do this through an accredidated curriculum and instructors with countless years of experience dedicated to shaping the next generation of leaders.

RANCHO AFJROTC NV-031

Rancho HS AFJROTC

Nevada's oldest JROTC

[Y]our Legacy

Students from Rancho High School go on to become leaders in the community, within their own families and some choose to serve the nation or community in the armed forces. Whatever path you choos, the lessons from AFJROTC will help you become the best version of you.

Why Choose us?

Choosing Rancho High School Air Force JROTC is like writing the first chapter of your adult life. You will have opportunities and experiences other high school students do not get. You will become a member of a family of alumni that are there to support you all through life.

Our Misson

Develop Citizens of Character

Teamwork

Students are a part of a team that works to improve their community while improving themselves. The focus is on becoming the best version of you that you can be.

Leadership

JROTC is a cadet-led program with many opportunities for students to expand their leadership skills or try them out for the very first time. Many students find new capabilities they didn't think they had.
