<b>Department</b>	Teaching & Learning
<b>Reports To</b>	Building Principal
<b>Classification</b>	Certified
<b>Location</b>	Secondary School
<b>Salary</b>	On Schedule
<b>Length of Contract</b>	On Contract

This job description in no way states or implies that these are the only duties to be performed by the employee occupying this position. Employees may be required to follow other job-related instructions and to perform other job-related duties as requested, subject to all applicable state and federal laws. Certain job functions described herein may be subject to possible modification in accordance with applicable state and federal laws.

## Job Summary

Responsibilities include working with school principal and teachers to improve student achievement within the framework of the Equitable Multi-Level Systems of Supports (EMLSS). The Secondary Academic Interventionist is responsible for supporting student achievement while integrating Social Emotional Learning (SEL) practices. The interventionist provides high quality instruction and intervention to support individual and small group instruction.

## Essential Job Functions

- Provide high quality Tier II and Tier III mathematic instruction and interventions.
- Provide Tier II and Tier III intervention in other subject areas, including Social Emotional Learning (SEL) and behaviors as building needs direct.
- Integrate social emotional learning (SEL) to meet the needs of the whole child.
- Apply culturally responsive practices and integrate them into instruction.
- Use district research-based interventions to meet individual student needs.
- Provide diagnostic assessments for students as needed.
- Responsible for monitoring, reporting, and communicating student progress and performance.
- Participate in Tier II and Tier III meetings when appropriate.
- Maintain and share data and documentation of continuous monitoring of student performance and progress to support building-wide intervention planning.
- Communicate with teachers, administration, and families regarding student progress.
- Assist in collection of data and making course placement recommendations for students.
- Collaborate with classroom teachers, coaches, and other stakeholders to analyze achievement data, monitor individual student progress, and discuss student placement and progress.
- Assist in school-wide family engagement to learning.
- Collaborate with district office staff and other district job-alike colleagues.
- Participate in ongoing professional development.

### **Ancillary Job Functions**

- Performs other related duties as assigned

**Required Qualifications** – Required qualifications to effectively perform the job at the time of hire. An equivalent combination of education, training, and experience will be considered.

Additional requirements and/or substitutions may be requested and require the approval of HR.

- Certification at the appropriate grade or developmental level.
- Three years of successful classroom teaching experience at the secondary level.
- Demonstrates an understanding and use of equitable and culturally responsive practices.

**Preferred Qualifications** – Highly desired education, training, and/or experience that may be helpful in performing the job, if applicable.

- Mathematics License (400/1400)
- Master’s degree in Education or related field
- NCI certified or must obtain certifications as soon as practical after hire.

**Knowledge, Skills, and Abilities** – May be representative, but not all-inclusive, of those commonly associated with this position.
