	<p style="text-align: center;">101. PHILOSOPHY OF EDUCATION</p> <p>The Central Greene School Board, as the agent responsible for the education of the students of the Central Greene School District, directs the development of a planned program of learning which primarily meets the educational needs of its clientele. In its direction the Board makes a concerted effort to support the concept of a child centered system and therefore provide for individual needs and differences as well as group needs. The Board also recognizes its responsibility to provide a broad assortment of programs which we commensurate with and indicative of the physical, psychological and aesthetic potential of every student in the school community.</p> <p style="text-align: right;">Pa.
