Senior Parking Spot: Painting Information

Senior students are permitted to purchase a reserved parking spot at their designated high school which the student can paint in accordance with the following rules and restrictions. This KISD tradition is an important part of our Senior celebrations and is intended to provide Senior students with an opportunity to express their school spirit and their plans post-graduation.

- A Senior may only purchase one reserved spot.
- The parking lot will be reserved for painting for two weekends. Those weekends are July 17th-19th and July 24th-26th.
- You will not be able to pull up and park next to your spot in order to paint it. This is an effort to avoid driving over wet parking spots and/or paint supplies that make a bigger mess in the parking lot.
- It will be HOT, so plan accordingly. Here are some suggestions:
    - A tent/canopy for shade, hats, sunscreen.
    - A cooler of cold drinks/water/snacks to stay hydrated.
    - Towels/paper towels for spills/messes/sweat and trash bags for your trash.
    - Lawn chairs.
- All designs must be school appropriate and approved in advance by the administration, as further detailed below. Spots not approved will be painted over, and you will lose your reserved spot. PLEASE don't allow your decision to force us to paint over your parking spot.
- Guidelines:
    - The lot will not be cleaned by a power wash company and you are NOT allowed to power wash your spot. Doing so may damage surrounding areas. Use a scraper, broom, and soapy water.
    - The standard size of a parking spot is 9 feet wide and 18 feet long.
    - You may use any color of paint.
    - Do not use oil-based paint, gloss paints, or sealers. They make the spots too slippery.
    - No spray paint of any kind may be used.
    - It is recommended that you begin with a base coat.
        - If you choose to use a primer, it will create a fast seal before putting down color.
        - Advisors suggest using paint for concrete as a base coat.
    - Do not paint over dividing lines, over your space number, or on the curb.
    - Trash Bags: All trash, paint materials, and items used during the painting period MUST be cleaned and cleared from the parking lot before leaving each day. Bring trash bags with you! Failure to clean up after yourself could result in the forfeit of your spot.

- Artwork Approval:
    - Topics acceptable for student artwork (1) school spirit, including student groups, clubs, teams or activities the student participates in; and (2) the student's post-graduation plans, such as work, career, college, military, etc.
    - Artwork must not:
        - Be obscene, vulgar, offensively lewd, or indecent;
        - Violate the intellectual property rights, privacy rights, or other rights of another person or defame another person;
        - Promote illegal drug use, use of alcohol, tobacco/e-cigarettes, or controlled substances;
        - Depict any item prohibited under the Student Code of Conduct;
        - Depict weapons, depict or encourage violence, or endorse actions endangering the health or safety of students.
    - Artwork must be submitted and approved by administration prior to painting. Deadline and form for submission will be communicated by the campus. (Google Form or Canvas Page - Campus Choice)
    - No graffiti.
- Senior spots are only reserved for use during the school day. We cannot guarantee availability during after school events. If someone is parked in your spot during the school day, please notify a Security Officer or your Assistant Principal.

Any violations can result in a loss of reserved parking. Your fee will be used to clean your spot, and no reimbursements will be made.

We have the right to paint over, confiscate and re-sell spaces that include content that is not approved through the approval process.
