

Goal One - The Instructional Program

Data Informed Teaching and Learning- Identify & review student work, assessments, and student performance to inform instructional practices as appropriate to enhance instructional outcomes

Performance Based Learning and Assessment

- Distinguish & define a universal understanding of performance-based learning and performance-based assessment
- Create & design a universal framework for performance-based learning/assessment aligned to the Portrait of a Mount Pleasant Learner
- Create/design & execute at least one exemplar of a performance-based learning opportunity within each vertical continuum

Portrait of a Learner/Strategic Plan

- Expand the consistent and explicit use of the Portrait of a Learner that connects to curriculum, instruction & assessment
- Finalize the development of the use of high leverage practices aligned with MTSS
- Pilot Culture of Care and Wellness resources

Professional Development - Advance the work of the District by supporting the professional learning of faculty and staff

- Establish a District process & protocol for learning walks
- Develop a District repository for Action Research completed by faculty
- Work with the PLC to align professional learning opportunities with district initiatives
- Strengthen the in-service professional learning program by sharing professional learning opportunities more consistently with the faculty

Goal Two - The Safety and Security of Our Students and Staff

- Enact Safety & Security Implementation Plans
- Continued engagement in the critical analysis of drills, practices & procedures through BERT Teams at each school towards District-Wide cohesion of practice

Goal Three - The Physical Plant and Finances

- Develop a fiscally responsible 2026-2027 Operating Budget
- Continue implementing short & long term District-Wide air cooling plans
- Begin construction at Hawthorne Elementary and Westlake High School
