Child Nutrition
TRAVIS UNIFIED SCHOOL DISTRICT

RFP # 26034 for Child Nutrition Pizza

Question

Page 11 (Exhibit A) outlines all pizza products you're requesting for the 2026-2027 school year. Our program only allows for 14" and 16" pizzas that are delivered fresh, hot, pre-sliced and ready-to-eat. Do we need to have the ability to provide all products listed in Exhibit A to be considered for this contract?

Answer

The district is unable to support a partial fulfillment of the needs. As such, there will be no allowance of split bidding, and any bids received that are incomplete will not be considered at this time.
