Principal's Message

As we enter the home stretch of the academic year, I am filled with immense pride reflecting on everything we have achieved together. This has been a year of remarkable growth for Village Oaks; we've seen a rise in overall student GPAs and a record-breaking number of college credits posted to transcripts. These milestones are a testament to the dedication of our students and the unwavering support of our staff and families. We have truly succeeded in another year of academic excellence, and seeing that hard work pay off in such a tangible way is a victory for our entire school community.

We are now in the midst of the busiest, most vibrant season of the year. Our seniors are navigating a whirlwind of activities - from the memories made at Prom to the anticipation of our upcoming Disneyland trip and the upcoming celebration of Senior Night. While they finalize their Post-Graduation Plans, there is a natural sense of bittersweet transition in the air; we are moving toward the end of an era, yet we are incredibly excited to see the impact this group will have on the world. Even as we prepare to say goodbye to our graduates, we are already looking forward with energy to welcoming new faces for summer school.

With less than 16 school days left, it is vital that students stay focused on their goals. This is the final window to get grades up and earn as many credits as possible. Please remember that every class passed now is one less class a student will have to repeat later. To support this effort, students should be utilizing Thursday school over the next two weeks to secure their grades and ensure they do not fall further behind on credits. There is so much to do and so much to celebrate - let's finish this year strong!

Post Grad Plan Schedule - May 11 - May 15

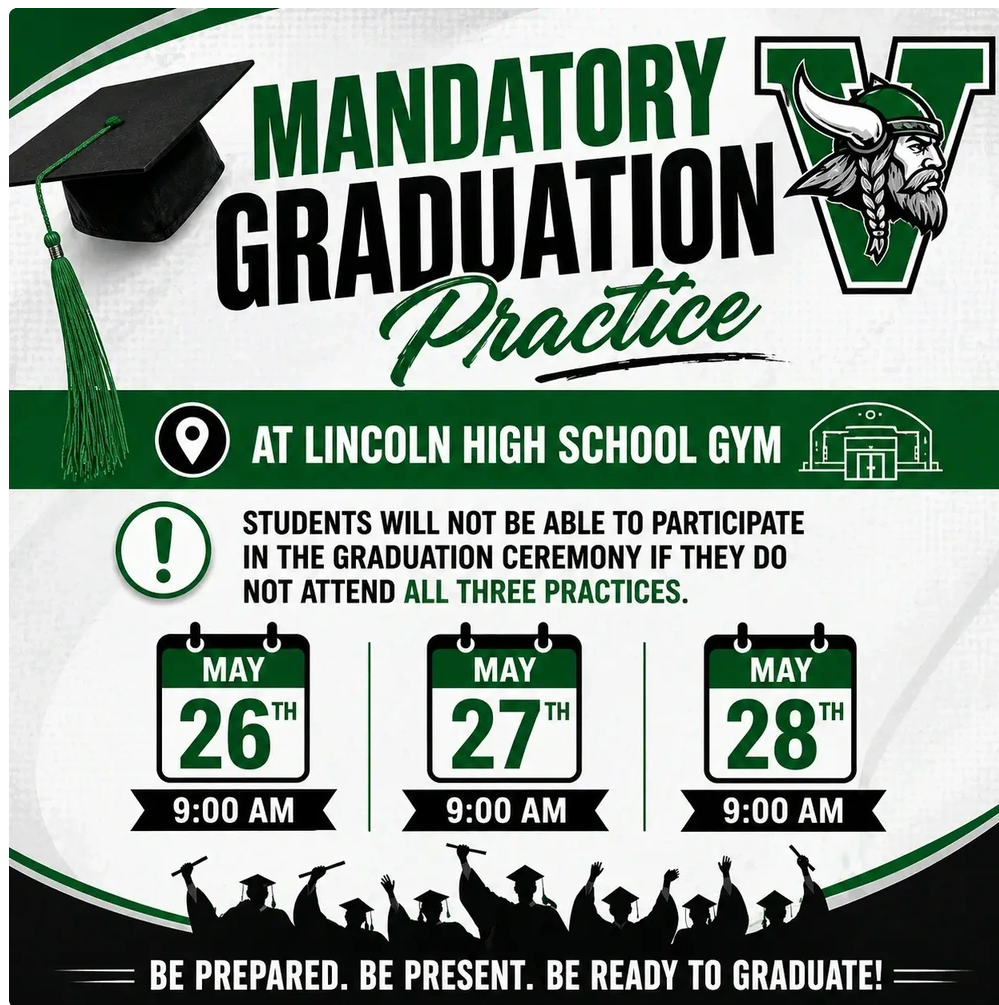

Next week marks a truly monumental milestone for our graduating class at Village Oaks High School. As a culminating step in their high school journey, every senior will present their **Post-Graduation Plan** to an audience of peers, staff, and community members. These presentations are a proud tradition where students showcase their vision for the future, and because our entire staff is dedicated to supporting and grading this significant achievement, we will be adjusting our schedule.

Schedule Adjustments for Next Week

- **Most Students:** School will be released early at **1:24 p.m.**
- **Presenting Seniors & Student Judges:** These students will remain on campus until the standard dismissal time of **2:27 p.m.**

We are incredibly excited to see our seniors' hard work come to fruition! If you have any questions regarding the schedule or the presentation process, please feel free to contact the front office.
