The Board shall also encourage the participation of the Superintendent in pertinent education seminars, and courses offered by public or private institutions or by educational associations, as well as, the participation in informational meetings with those individuals whose particular skills, expertise, or backgrounds would serve to improve the capacity of the Superintendent to perform the Superintendent's professional responsibilities for the District. In its encouragement of the Superintendent to grow professionally, the District shall permit a reasonable amount of release time for the Superintendent, as the

Superintendent and Board deem appropriate, to attend such seminars, courses or meetings. The District shall pay for three (3) professional memberships for the Superintendent. The District shall pay or reimburse to Superintendent, in accord with District policies, her reasonable expenses related to attending state and national professional conventions, as the Superintendent and Board deem to be appropriate.

The evaluation format and procedure shall be in accordance with the Board's Policies, and state and federal law.
- 5.3 Confidentiality.** The evaluation of the Superintendent shall at all times be conducted in such a manner as to preserve confidentiality to the extent allowed by law. Nothing herein shall prohibit the Board or the Superintendent from sharing the content of the Superintendent's evaluation with their respective legal counsel.

Upon the expiration of any unpaid leave time (even if the Board decides to continue payment to Superintendent in full or part) required or customarily allowed to other personnel of the District under the Family and Medical Leave Act, the Americans with Disability Act, or any other State or Federal employment law, if Superintendent still cannot resume her duties, her employment with the District will be terminated.
