**CSEA Negotiated Agreement, Article 6: **Each unit member will be provided one (1) floating holiday annually. The date of the floating holiday must be approved by the unit member's direct supervisor. The floating holiday may not be used on the following days: (1) convocation, (2) during the first or last week of school, (3) on a student instructional day. For 10-month employees, if a work calendar contains no work days that are not student instructional days, then those 10-month employees may utilize the floating holiday on a student instructional day. A substitute may not be utilized on the floating holiday. Floating holidays do not accrue, carry over to the next school year, and cannot be cashed out.
