

## **What is PBS?**

- Implemented with ALL students in a school.
- Aims to prevent problem behaviors by teaching positive social expectations.
- Emphasizes on data-based decision making.
- Includes a continuum of intensive, individualized interventions.

## **What will PBS look like at South?**

- Positive adult-to-student interactions exceed negative.
- Function based behavior support is a foundation for addressing problem behavior.
- All staff are active participants in helping students achieve both social and academic success.
- Everyone is welcome to attend PBS meetings.

## **Misconception**

- The essence of PBS is tickets, rewards, or parties.

# PBS is a data-driven, positive behavior support system
