

Voices of Unity Chorus

At Central Elementary, we are proud to be home to the **award-winning Voices of Unity Chorus**—a vibrant and talented group of student performers in **grades 3 through 5** who come together to share their love of music and leadership through song.

Each year, students who are passionate about music and eager to lead through performance are encouraged to **audition** for this exciting opportunity. **Tryouts take place during the first few weeks of school**, so be on the lookout for **sign-up forms and announcements!**

Our Voices of Unity Chorus performs at a variety of **school and community events** throughout the year, including:

- Local Nursing Home Performances
- **Chocolate Hour** (Sponsored by the Links)
- **Winter Concert**
- **Veteran's Day Celebration**
- **Annual Leadership Day**
- **Music in the Park Competition**

More than just a chorus, **Voices of Unity** is a family. Students learn to blend their voices and hearts with one purpose:

To inspire others—young and old—through music to dream big and discover the gifts within themselves.

We look forward to another exciting year of harmony, leadership, and joy in song!
