CMHS/Commonwealth University Early College Permission Form
FALL 2026

Student Name: _____
Current Grade Level: _____

Early College classes at Commonwealth University meet either MWF or Tu/Thurs at various times. Because CMHS classes do not run on that same schedule, they will have a “hole” in their CMHS schedule on the days/time their college class does not meet. Students may want to report to (or remain on) the CMHS campus on those “off” days. For the safety of your student, we need to have a commitment from you and them as to whether they will report to (remain at) CMHS on their off days.
At the start of the fall semester, we will email you and your student to have you confirm your plan. Please provide your email below and watch for this communication in August. If you know what you would like your student to do now, you may indicate it below and we will not contact you in August.

I have reviewed the information and instructions and approve of my student taking early college/dual enrollment courses through Commonwealth University.
