COMPUTERS 1 and 2

- Computer headset with boom microphone. **The headset must have one single plug for headphones and a microphone jack. The end is called TRRS (Tip, Ring, Ring, and Sleeve). This is the only kind of headset that works with our lab computers.** Cell phone earbuds will not work. USB headphones will not work. A headset with separate plugs for headphones and mic will not work. **Please don't purchase this yet. You will not need it until the 2nd semester. More information will be provided after the beginning of the year.**
- USB Flash Drive (thumb drive) with a minimum 8GB capacity – required for every class session.

- Keyboard cover for home practice if you choose not to check out a school keyboard. (Instructions provided when the semester begins; most students make their own covers)
- Software that students will need on their home computer to complete homework assignments:
 - MS OFFICE365 – DO NOT BUY THIS. D20 provides a license for all D20 students. Students will be able to use that license on any computer
 - GIMP (free download – Instructions for downloading source will be provided)
 - Audacity (free download – Instructions for download source will be provided)
 - FFmpeg – free download through the Audacity menu
 - Web Browser (Edge, Safari, Firefox, NOT Internet Explorer)
- **IMPORTANT Notice to Chromebook users:** Chromebooks do not allow many programs to be installed, including the GIMP, Audacity, and the full version of Microsoft Office. If you choose to use a Chromebook, you will need to complete many of the 2nd-semester assignments at school during Study Halls. Please plan accordingly.

THEATRE

- A binder (½ inch to 1 inch) with notebook paper OR a folder and a spiral-bound notebook. This Binder or folder is to be used specifically for the theatre class.
- A pencil
