With Multiple Choices for Care, Mercy Makes It Easy

Our quiz gives you the answers.

Sometimes even teachers can use a little guidance, especially when navigating health care for your family. Just visit [MercyNow.net](https://www.mercyhealth.com/mercy-now), answer a few questions, and we'll give you your best, quickest option for care.

The correct answer might be:

- A. Mercy GoHealth Urgent Care
- B. Office Visit
- C. Video Visit
- D. Mercy Express Care (Convenient Digital Care)
- E. Mercy on Call (After Hours)

Scan the code or visit
[MercyNow.net](https://www.mercyhealth.com/mercy-now) for the
right care, right away.

Dear Lord, You are the great Teacher. We ask your blessing on all those who follow in Your footsteps. Please allow them to feel Your presence each day and to understand the importance of their calling as they shepherd, inspire, inform, protect and love the children You hold so dear. Amen.

Are they ready for game day?

Get your child's sports physical now.

Open to all school-age athletes (up to age 18).
Call a participating Mercy Clinic below for an appointment.
Physicals are \$30.

Parents should be present for their child's physical. Further evaluation and diagnostic testing may be needed and immunizations available - additional fees for these services will apply.

Tiny Tots Baby Signs Workshop

Mercy is helping expectant and new parents navigate the journey into parenthood with expert guidance. Tiny Tots Baby Signs is a four-week series designed to introduce you and your baby to the joys of early communication through baby sign language. This workshop is perfect for parents and caregivers keen to enhance their little one's ability to express needs and desires before they can speak fluently. By the end of the series, you'll have gained confidence in using baby signs effectively, helping reduce frustration and enhance your understanding of your baby's needs.

September 3, 10, 17 and 24 | 9:30 - 10:30 a.m.

Mercy Hospital Boardroom
2710 S. Rife Medical Lane | Rogers, AR
