Care Now Navigator in MyMercy⁺

There are a lot of perks to being a **Mercy patient.**

24/7 care is a big one.

Have a non-urgent condition? Our Care Now Navigator helps you get primary care quickly, right from your MyMercy app. Share your symptoms and get care any time with a video visit (for the same cost as an office visit). Or get help scheduling a video or office visit.

Patients 18+ can use Care Now Navigator for:

- UTIs
- Vaginal yeast infections
- Sinus infections/covid/flu/colds
- Poison ivy or other rashes
- Tick or other insect bites
- Pink eye
- Vomiting/diarrhea
- Cold sores... and more

Care Now Navigator is available 24/7/365. Simply log in to MyMercy and launch the Care Now Navigator from the home page.

MyMercy⁺

Care Now Navigator is on MyMercy. And so is a lot more.

MyMercy, our free app, lets you manage your family's health from your phone or computer, no matter where you are or when you need care.

Use it to:

- Schedule in-person appointments or video visits
- **Get care using Care Now Navigator**
- Message your care team directly
- Pay bills
- Get lab and test results

It's easy to get started with MyMercy.

Download for free from the App Store or Google Play and use the activation code on your after-visit summary or emailed to you by your doctor.
