THE FUTURE OF HEALTH CARE IS HERE

# Mercy patients get a lot of perks. Like 24/7 care.

## Care Now Navigator

Get round the clock care for non-urgent conditions, right from your MyMercy app.

Primary care patients 18 and older, simply type in your symptoms and get care with a video visit — for the same cost as an office visit.

### Use Care Now Navigator for:

- UTIs
- Yeast infections
- Sinus infections/covid/flu/colds
- Insect or animal bites
- Pink eye
- Vomiting/diarrhea
- Rashes
- Cold sores and more

Log in to MyMercy and launch the Care Now Navigator from the home page.
